## BikePT Course Registration Form

**BRONZE** is an introduction to the rationale and methods of working with the bicycling client. This is a 2-day course, and will provide 16 hours of instructional and lab time. BRONZE IS REQUIRED FOR SILVER.

**SILVER** allows you to hone your skills while working with a bicycle. It includes basic bicycle mechanics crucial to the retrofit process, advanced fit concepts, and on-the-bicycle skills, development. This class will also introduce aerodynamic positioning and positioning for mountain biking. An introduction to motion analysis with Retul will be made. Class has ample lab time and will allow you the confidence to work more effectively with cyclists. SILVER IS REQUIRED FOR GOLD.

**GOLD** is intended to make you a highly qualified BikePT. This is an advanced topics class. We will focus on prescriptive exercise planning, attendance of a bicycle event, utilization of motion analysis and processing of complex lab cases.
